

Subject: Product Upgrade Notice of Dust Sensor

SM-PWM-01A dust sensor has been successfully upgraded and the new part No. is SM-PWM-01C. SM-PWM-01A had been all stopped production since Jan.1, 2016.

The detailed differences between SM-PWM-01A and SM-PWM-01C are as below chart:

	SM-PWM-01A	SM-PWM-01C
Appearance		
Output Characteristics		
Supply Voltage Ripple	< 100mV	<200mV, less disturbance when working with other components powered by the same source
Size (WxHxD) & Weight	59 x 46 x 18 mm 23g	59 x 46 x 18 mm 20g
Connector & Pins		No Change
